

1.1 moves to amend H.F. No. 5, the second engrossment, as follows:

1.2 Page 9, after line 28, insert:

1.3 "(c) Only Minnesota Insurance Marketplace personnel with explicit authorization
1.4 from the board may enter, update, or access data held by the marketplace. The ability of
1.5 particular personnel to enter, update, or access data must be limited through the use of
1.6 purpose codes that correspond to the official duties and training level of the personnel,
1.7 and the specific statutory authorization that grants access to the data for that purpose. All
1.8 queries and responses and all actions in which data is submitted, modified, accessed, or
1.9 disseminated by the Minnesota Insurance Marketplace or its personnel must be recorded
1.10 in a data audit trail."
