RE: Application for Temporary Classification of Government Data

Dear Commissioner Massman:

Enclosed is a completed Application for Temporary Classification of Government Data, including attachments. Also enclosed is a letter of support from the Maplewood Police Department.

We have been in communication with other police departments as well to inquire whether they wish to support our application. As of today's date, we have been advised by both Minneapolis and Burnsville police administration that they are interested in providing a letter of support. However, due to timing issues with seeking formal approval, those letters will not be available for a few weeks. Therefore, we anticipate supplementing our application in the near future.

Thank you for your consideration of this matter.

Sincerely,

M. Alison Lutterman
Deputy City Attorney
