1.1 1.2

Page 1, after line 6, insert: "Section 1. [3.8844] LEGISLATIVE COMMISSION ON INTELLIGENCE AND TECHNOLOGY. Subdivision 1. Established. The Legislative Commission on Intelligence and Technology is created to study and make recommendations on issues relating to the effect of emerging technology on privacy. The commission has investigatory and oversight jurisdiction over government surveillance programs and technology, including subpoena power. Subd. 2. Membership. The commission consists of three senators appointed by the senate Subcommittee on Committees of the Committee on Rules and Administration, and three members of the house of representatives appointed by the speaker. One member from each chamber must be from the minority party in that chamber. Each appointing authority must make appointments as soon as possible after the beginning of the regular legislative session in the odd-numbered year. Each member of the commission must take an oath, swearing to faithfully discharge the duties of members of the commission in compliance with the laws governing the commission. Subd. 3. Terms; vacancies. Members of the commission serve for terms beginning upon appointment and ending at the beginning of the regular legislative session in the next odd-numbered year. The appropriate appointing authority must fill a vacancy for the remainder of the unexpired term. Subd. 4. Officers. The commission must elect a chair and vice-chair and may elect other officers as it determines are necessary. The chair alternates between a member of the senate and a member of the house of representatives in January of each odd-numbered year. Subd. 5. Staff. Legislative staff must provide administrative and research assistance to the commission.

Subd. 6. Meetings; data. Notwithstanding any other laws or legislative rules to the
contrary, the commission may determine that a meeting will not be open to the public.
Notwithstanding any contrary provision of chapter 13 or other law, the commission may
require a law enforcement official to disclose not public data to the commission, as the
commission determines is necessary for performance of the commission's duties. If data
provided to the commission is disseminated by the commission or its members or agents
in violation of section 13.05, subdivision 4, the commission is subject to liability under
section 13.08, subdivisions 1 and 3. Disclosure of not public data by a member of the
commission is grounds for an ethics complaint to the committee with jurisdiction over
ethics in the house in which the member serves.
Subd. 7. Subpoena power. The chair, vice-chair, or a member of the commission
designated by the chair may issue subpoenas requiring the appearance of persons,
production of relevant records, and the giving of relevant testimony on matters within the
jurisdiction of the commission. The person issuing the subpoena may request the issuance
of an attachment to compel the attendance of a witness who, having been duly subpoenaed
to attend, fails to do so. Section 3.153 applies to issuance of subpoenas under this section,
except as otherwise provided in this section.
EFFECTIVE DATE. This section is effective the day following final enactment.
Appointing authorities must make initial appointments by June 1, 2014. The speaker of
the house of representatives must designate one member of the commission to convene the
first meeting of the commission by June 15, 2014."
